SEND YOUR DONATION IN ANY BAG

As a recycling company we can no longer justify the manufacture of plastic bags to enable the recycling of your textiles as they are having a catastrophic effect on our planet.

So use a supermarket carrier bag, bin liner or shop bag, to bring your clothes to school.

Funds raised through textile recycling help you and The Starlight Charity.

Recycling clothes for re-wear removes them from landfill, helping the environment to make a better future for us all.

Starlight supports seriously and terminally ill children across the UK by granting wishes-of-a-lifetime and by providing a variety of entertainment and distraction in and out of hospitals and hospices. A little fun and distraction can go a long way and help brighten even the darkest days.

You have arranged this collection with Beaumonts Recycling to help with fundraising. **We will pay your School £300 per tonne (30p per kilo) for Good Quality Second Hand Clothing that can be re-used - No Bric-a-Brac please. (We also pay The Starlight Charity £100 per tonne.)**
