

LONGSANDS LINK – 10th June 2019

WELCOME BACK

We hope you had a lovely half term break.

SCHOOL PHOTOGRAPHER

The photographer will be in school on **Monday morning** to take class and team photographs of the children. When the proof cards are received they will be sent home and orders can then be placed online directly with John Hunt Photography. If you have any school sports kits at home please would you send these back on Monday morning.

KS2 FENCING

As the school photographer is in school on Monday, there will not be any fencing session on Monday 10th June, but this was taken into consideration at the time of arranging the sessions with Mr Lomax so those who signed up for fencing have not been charged for this. If anyone would still like to take part there are some places still available.

YEAR 3 DESIGN AND TECHNOLOGY

Further to our text earlier this week, please could the children in Year 3 begin to collect cardboard egg boxes (ideally the ones which hold six eggs) for use in Design and Technology. Please could any that are collected be brought into class by **Friday 21st June**. Thank you

YEAR 6 MUSEUM VISIT

The children in Year 6 will be visiting the Infantry Museum and the Museum of Lancashire on Tuesday. Don't forget that the children will need a packed lunch and suitable shoes and waterproof coat as they are walking to Fulwood Barracks.

Thank you also to Mr Taylor for lending school a set of litter pickers.

OUTDOOR PE KIT

From September 2019 we will be introducing an outdoor PE kit for all children. Pupils will be required to have a plain navy blue zip through hoodie, plain navy blue jogging pants and trainers. This together with the yellow polo top will form the new outdoor kit which can be bought at local supermarkets with prices starting at around £4.00.

POWAR

POWAR the council for children and young people with special educational needs and disabilities have created a survey for young people with SEND to share what they think is the top issue for them. Once the results are in POWAR will create a campaign to raise awareness of and tackle the issue. POWAR would like to hear the voice of children and young people through this survey and ask that you share it with your child/young person so POWAR can hear as many views as possible.

EmPOWAR Your Voice Survey

For more information about the POWAR council please click the link below, and get in contact if your child/young person would like to get involved. New members are always welcome!

Dear Parent / Carer,

This letter is to inform you that our school is participating in the Operation Encompass partnership scheme, between local schools, academies, colleges, community health agencies and Lancashire Police.

Operation Encompass was set up to provide early reporting to schools etc about any domestic abuse incidents that occur outside of school hours to which a young person attending Longsands has been exposed, and which might then have an impact on their schooling the following day. This information will be shared throughout the year, including school holidays and the weekends.

Information will only be shared with the school by the police where it is identified that a young person was present, witnessed or was involved in a domestic abuse incident .

A nominated member of school, known as the Encompass Key adult, will have access to this information on a secure and confidential email set up just for this purpose. The key adult at Longsands is myself as Designated Safeguarding Lead. I will be able to use the information passed on to ensure we are able to make provision for possible difficulties experienced by children or their families. The information is kept confidential and I will only share it on a needs to know basis, for instance to teaching staff of the child. It will not be shared with other children.

This initiative has been implemented across the whole of the Lancashire Police area. If you would like some information about it, you can view it online at www.operationencompass.org.

We are keen to offer the best support possible for our children and a recent review of Operation Encompass showed that is beneficial and supportive for all those involved.

Yours sincerely
Mrs SA Mckeown
Acting Head
