SCHOOL UPDATE

COMING SOON

In an attempt to reduce the amount of cash and cheques in school we will be rolling out a new e-payments service for the start of school in September.

We are pleased to announce that we have teamed up with ParentPay in order to process school payments .

The ParentPay system will be used for the collection of dinner monies, school trip monies and any other events the school may run.

Some parents may already be familiar with this service through other schools, for parents that are new to the system the ParentPay site gives full user guide.

Over the summer holidays you will receive an activation letter by post. This will have your user name and password and all the information you need to log into your account. You will then be able to pre load your child's account or pay for items as and when required.

If you have any queries with regard to ParentPay you can have a look at the website by clicking [PARENTPAY](#) or contact Mr Coyne who will be happy to help.

ALSO COMING SOON

You will soon be able to download our new school app on apple and android devices.

We will bring you more information when the app is ready to launch!!
