

LONGSANDS LINK – 13th November 2020

Mrs McKeown's Message

At last the school boiler work is finished! We can now enjoy a boiler that fully works after at least three years of hit and miss heat. This will now free up more of the KS1 playground for the children, and also for parents whilst waiting for their children.

Thank you to all of the parents who are following our plans for entering and exiting school and time slots. It really does help to keep everyone safe.

This week the whole school has been remembering the 11th November and finding out about why the date is so important to us all. I have also seen some wonderful decorated lamps in classes to celebrate Diwali. It is a shame the whole school cannot come together at the moment to share these moments, but teachers continue to make sure the children do not miss out on all these wonderful experiences.

Have a lovely weekend

Mrs McKeown

ANTI BULLYING WEEK

As part of the activities planned for Anti Bullying Week on **Friday 20th November**, we will be having an Odd Socks Day. Normal school uniform should be worn, but odd socks (nothing fancy or new needs to be bought), just 2 two different socks to represent what makes us all unique.
