

Mrs McKeown's Message

Thank you for your continued support for all we have had to put into place over this term. Our staggered times for coming to school and leaving will have to remain the same in January. Please read one of the notes on the link for contact over the beginning of the holiday in case any of you test positive in the next 48 hours. I will then be able to inform the necessary agencies and families. Have a lovely break, keep safe, enjoy time with your families and we will see you in January.

Mrs McKeown

CAR PARK SAFETY

Please could we remind parents and carers that children should enter and leave school either holding their responsible adults' hand or walking by their side. Allowing them to run on ahead, especially the very younger pupils is very dangerous due to the exits being a temporary car park walk through, and then onto the main Tesco area car park. We are sure that you understand our concerns.

CONTACT DETAILS

It is really important that the information that we hold in school for you is up-to-date and correct. If you have any contact telephone numbers, email addresses or home residential addresses that have changed, please email Mrs Wilds at the school office:

office@longsands.lancsngfl.ac.uk
so that we can update our records

DIETARY AND MEDICAL REQUIREMENTS

Does your child have any dietary requirements, or medical needs such as asthma or allergies? If you haven't already informed us, please contact Mrs Wilds so that this information can be recorded, and if dietary passed also to the school kitchen.

We hope that you all have a lovely Christmas and New Year. We look forward to seeing you all again when we return to school on **TUESDAY 5th January 2021**

SCHOOL MILK

If you would like your child to have milk in school after the holidays, then you will need to order this via Cool Milk by **5.00pm** on **Tuesday 29th December**. If you order after this time, then your milk will begin the following week. **www.coolmilk.com**

ONLINE SAFETY

At this time of year especially when Santa could be delivering all sorts of exciting surprises, it is a good time to refresh and update our knowledge of online safety. We have added the NSPCC Online Safety Link below, which has guidelines Parents and Carers may find useful on how to keep children safe over the holiday period.

IMPORTANT

Please remember, that you need to inform school if your child has Covid-19. If your child shows symptoms of Covid-19 within 48 hours of the end of the school term, or tests positive for Covid-19 having shown symptoms within 48 hours of the end of school, you should report this to school immediately by emailing

Mrs McKeown at
head@longsands.lancsngfl.ac.uk

We will notify any other pupils in your child's bubble and their families so that they can isolate for ten days. It is vital that you tell us about positive tests so that we can help prevent the spread of Corona Virus in our community.
